NOTE

This is a Korean Manhwa, which is read from left to right rather than right to left like mangas are usually read.

Also, if there is anyone out there who has raws for this series, or has the means to get raws for this series, that is raws of Volume 6 and on, please contact me by e-mailing me at rycolaa@yahoo.com

RECRUITING

ryColaa Scanlations is looking for various positions that need to be filled. First and foremost is of course more translators in order to do more projects and whatnot. Also, if you're a transaltor, but just don't have enough time to translate a series and transcribe it, then you can apply to be a proofreader because we need proofreaders who know Both English and Japanese pretty well. Also, Raw providers always help, especially if you live in Japan and know how to use a scanner. In addition to these positions, we are also searching for a website designer and a forum designer to make it look better and liven it up.
